

AYLBURTON CHURCH OF ENGLAND PRIMARY SCHOOL

Newsletter June, 2025

'THROUGH GOD'S LOVE WE LEARN AND FLOURISH TOGETHER', CORINTHIANS 16:14.

HEADTEACHER'S MESSAGE

As we enter the final term of the academic year, there is a lot to look forward to, including our annual sports day and a trip to the beach. The children are already talking excitedly about 'moving up' to the next year group or on to secondary school. However, there is still a lot to learn in the next few weeks! With mixed age classes, we are very lucky that children and staff have strong relationships, ensuring smooth transitions as they move through the school. Please continue to support your child at home with their reading and year group activity passport. It is very much appreciated.

Best wishes, Mrs Isaac

SAFEGUARDING

Last week in assembly, the illustrated version of 'Working together to safeguard children' was shared with the whole school. There were lots of questions and discussions and we will continue to look at this document over the coming weeks. A printed version has been put in each classroom for reference. A link was previously sent to you on Seesaw..

PARENT QUESTIONNAIRE

You will shortly receive an email with a link to the parent questionnaire. This questionnaire will not take long to complete and is an opportunity to have your say.

ATTENDANCE

Our whole school attendance remains at 92.6% which is well below the National Average. Our Inclusion Officer recently visited school where we looked at trends and patterns of concern. Holiday requests are increasing and all of these requests will be unauthorised unless there are exceptional circumstances. Next years term dates, including insets, are on our school website to help you plan any holidays.

See what we have been up to...

Chestnut Class

The children have been learning how to code using Beebots in Computing. They quickly became experts at doing this!

Maple Class

As artists, Maple Class have been experimenting using dark and light tones to create 3D drawings. They then worked collaboratively to develop their drawings into prints.

Oak Class

Year 5 and 6 thoroughly enjoyed their PE lessons which were led by a Gloucestershire cricket coach. As well as learning fundamental cricket skills, they learnt sportsmanship and how to work as a team.

VE Day 80

The whole school took part in the VE Day 80 celebrations. A special assembly was held, followed by cake and a drink kindly supplied by FOAS.

We hope you all enjoyed the children's rendition of 'We'll Meet Again'.
