Newsletter May, 2025

'THROUGH GOD'S LOVE WE LEARN AND FLOURISH TOGETHER', CORINTHIANS 16:14.

HEADTEACHER'S MESSAGE

Our Christian value for the Summer term is Compassion. Each week in Collective Worship, we will recognise children that go the extra mile to show compassion and care for others and celebrating the positive impact of their actions. We will be providing extra love and support to our Year 6 children as they complete SATS. The staff are so proud of them and every pupil for their determination to be the best they can be.

Best wishes, Mrs Isaac

PE

We recognise the importance of physical activity and how it links to the health and well-being of the children. All classes teach two PE lessons a week and we offer many after-school clubs where the children can be active. Please ensure that your child has their PE kit in school at all times so that they can participate safely.

WARMER WEATHER

The children are enjoying more outdoor learning time as well as the usual break and lunch times. Please ensure that your child has a drink bottle and sun hat in school each day. Wherever possible, please apply sun cream before school. Any sun cream brought into school should be labelled as it can't be shared due to allergies.

PARENT GOVERNOR

The Local Academy Committee for Aylburton and English Bicknor currently have a vacancy for a parent governor. If you are interested in this position and would like further information, please speak to Mrs Isaac.

ATTENDANCE

Our whole school attendance has continued to drop to 92.6% which is well below the National Average. This is extremely concerning as many children are missing a significant amount of learning time. Please speak to a member of staff if you have any concerns and would like support to overcome any barriers to attending school regularly.
