

AYLBURTON CHURCH OF ENGLAND PRIMARY SCHOOL

Newsletter April, 2025

'THROUGH GOD'S LOVE WE LEARN AND FLOURISH TOGETHER', CORINTHIANS 16:14.

HEADTEACHER'S MESSAGE

As we come to the end of the Spring term we are reflecting on our Christian value of perseverance and how it has helped us to grow and flourish. The children have worked incredibly hard and have achieved lots.

I want to take this opportunity to thank our wonderful FOAS for organising so many events including this weeks chocolate raffle, raising funds for our school. Your support really makes a difference.

I hope you all have a wonderful Easter.

Best wishes, Mrs Isaac

CLASS ASSEMBLIES

The children invite you to their class assemblies to celebrate the learning that has taken place in the Spring term. Please come along and share this moment with your child. Your support is much appreciated. All of the assemblies will start at 2:45pm in the hall.

Chestnut Class - Friday 4th April

Maple Class - Tuesday 8th April

Oak Class - Thursday 10th April

READING SUGGESTIONS

- ☒ The Tale of Peter Rabbit by Beatrix Potter (Mrs Isaac)
- ☒ Rabbit and Bear series by Julian Gough (Mrs Childs)

ACTIVITY PASSPORTS

Your child will now have brought a copy of their year group Activity Passport home. These 15 activities have been carefully selected by staff to reflect our pupils, school culture, local geography and the communities we are part of.

Please upload photographs and videos of your child completing the activities at home onto Seesaw so that we can celebrate the achievements in school.

We hope that you and your child enjoy completing these activities and learning together at home in a fun way.

ATTENDANCE

Unfortunately, our whole school attendance has dropped significantly to 93% which is well below the National Average. This is mostly due to illness including the sickness bug and heavy colds.

Please send your child to school every day that they are fit and well to ensure that learning opportunities are maximised and positive relationships are maintained. Thank you for your continued support.

See what we have been up to...

Chestnut Class

In Geography, Chestnut Class have been learning about the weather. They have been using different equipment to observe and measure the weather each day to create a weather diary.

They then planned and presented their own weather reports.

Maple Class

In Geography, Maple Class have been learning all about the location and climate in Antarctica. Inspired by Ernest Shackleton, they have used four-figure grid references to map their own routes around the school.

Oak Class

In DT, Oak Class have been tasting different bolognese sauces in preparation for developing their own recipes.

Coram Life Education workshops

As part of our PSHE curriculum each class took part in a Life Education workshop. Chestnut Class learnt about 'Taking Care of our Feelings', Maple Class learnt about 'Protecting Myself - Body and Mind' and Oak Class learnt about 'Decisions'.

OUR CHRISTIAN VALUE THIS TERM IS PERSEVERANCE

Aylburton C of E School

Clubs (until 10/4/25)

All clubs finish at 4:15.

Monday - Functional Fitness for Chestnut Class with Miss Becky
Year 6 SATS booster for Year 6 with Mrs Riach.
